Declaration concerning Administrators

The Client hereby authorizes the Administrator to duly and validly provide or amend solely its own details, the IT coordinator details, create additional Administrators, create users, provide or amend payment details, connectivity channels, outbound report details and any other future details that may be added to the Administrator permissions. The above information will be provided by the Administrator through the channel established for that purpose by Regis-TR. The Client accepts that the information provided or updated by the Administrator through the indicated channel will be valid for all purposes, being the Client responsible in all cases for its accuracy and correctness

REGIS-TR S.A. Appendix 2 – Application request

Declaration concerning Authorised signatures

The Client agrees that this Application Form, in addition to a handwritten signature may be signed electronically by means of a valid electronic signature recognised by the applicable regulations, which they declare to be binding so that any requirement in this form to a document being "signed" shall be interpreted accordingly.
